# The Foundation

I hope this mailing finds you well. We are preparing for our 4th annual golf outing, and this year we are returning to the beautiful Shawnee Inn & Golf Resort in the Poconos this August 20. Thanks to the generosity of those of you who have joined us in the past, we have so far been able to provide assistance to members of the FDNY, active and retired, from Brooklyn, Queens and the Bronx struggling with cancer.

My father was a member of the FDNY for 32 years. He retired from Ladder 120 in 1997. He was a very generous, caring person in and out of the firehouse. When he passed away in 2003 after complications from cancer surgery, we felt empty and helpless. We had lost a good man and strong role model. We needed a way to honor his memory and continue his tradition of selfless giving. The Lt. Thomas F. Healy foundation was started with this in mind.

The foundation provides financial assistance to members of the FDNY or their families who find themselves suddenly faced with the overwhelming challenges associated with cancer. Your generous donations provide for the costs not covered by insurance. Costs like travel, lodging, or telephone and TV service in a hospital room, that can add up quickly. We consider ourselves very fortunate to be in a position to provide even a small amount of relief.

I know my dad would be pleased by what we've accomplished so far and would be humbled by the generosity shown. I'm sure he'd look forward to our golf outing.

If you can't join us, please consider sending back your raffles or making a donation. All donations are greatly appreciated.

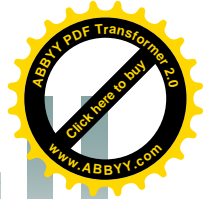

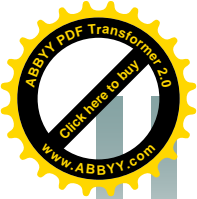

Stay safe and God Bless,

Lt. Tom Healy Jr. (E-92)

President, Lt. Thomas F. Healy Foundation
